INTERDEPARTMENTAL COMMUNICATION

It has come to our notice that the percentage of students from our college, opting to pursue higher education in European Countries is steadily increasing because of many privileges like free education or reduction in fees, increased provisions of availability of extended PR visa and Job opportunities. **In this regard, to encourage students and to provide more information on this, the Office of Collaborations is organizing a talk on Higher Education Opportunities in European Countries for the interested Third and Final year students of engineering.**

The speaker of the event is, Ms Niketa Dedhia, Principal Consultant, Exponent consultancy Service, USA.

The details of the event are as follows

Date : 20 February 2020
Time : 12:00 PM to1:00 PM
Venue : Prerana Hall, Academic Block III

Interested students from the third and final year Engineering are required t attend the event.
