SJEC Alumni Association: Blood Donation Camp

Sep 3, 2015

SJEC and the SJEC Alumni Association joined hands with White Doves and Wenlock Hospital Mangaluru for a noble cause in organizing voluntary blood donation camp on 3rd September 2015, which encouraged the students, staff and alumni to come in big numbers to donate blood for the Wenlock Hospital Blood Bank.

The program began with a formal function. Mr Nelson Castelino, President of the SJEC Alumni Association welcomed the dignitaries. Dr Sharath Kumar, Medical Officer and Blood Bank in-charge of Wenlock Hospital, spoke on the occasion about the importance of donating blood. He said, in a human body there is 5.75 liters of blood of which only 3.5 liters is required for normal functioning of the body. From the extra quantity of blood, 350 ml of blood can be sagely donated which benefits the donor. He also highlighted issues about women during night-delivery going into a crisis situation with profuse bleeding. The need to save that life greatly depends on the blood to be given to the women during labor.

Ms Corrine Rasquinha, Founder President of White Doves, who was the Chief Guest for the ceremony, spoke on life in the blood and quoted from the Bible, from the Book of Genesis, on how the blood was crying out for justice. She also gave her personal experiences on the plight of the poor patients in dire need of blood and having no one to help them. She encouraged the students to be permanent donors. Rev. Fr Joseph Lobo, the Director of SJEC, also quoted the Bible speaking on the parable of the good Samaritan, telling his students that they have a choice to save a life through voluntary blood donation. He encouraged the students to donate blood which will give them a sense of well being. Principal of SJEC Dr Joseph Gonsalvis, Dean of Student Welfare and Alumni Affairs, Dr Vincent Crasta, Treasurer and Secretary White Doves Mr Jerome Coelho, and others were the dignitaries on the dais. The formal function ended with a vote of thanks by Evita Coelho. The program was well compered by our Alumni Mr Clyde Tellis. More than 150 members donated blood which commenced a 9:00 am and concluded at 5:00 pm.

The camp was inaugurated by lighting the traditional lamp. Mr Nelson Castelino, welcomed the gathering. Dr Ankith Garg in his address spoke about the importance of blood donation; he mentioned that by donating blood we will be saving three to four lives on an average. Rev. Fr Ajith Menezes, described the blood donation as a great act of charity. He encouraged the staff and students to donate blood. Mr Franco Menezes, Treasurer SJEC Alumni Mangalore Chapter conveyed the vote of thanks. Mr Rolen Rodrigues, Assistant Professor, E&E Department was the Master of Ceremony. The formal function was followed by the blood donation camp.

This was the first event of SJEC Alumni Mangalore Chapter. More than 100 staff/students donated the blood. Congratulations to the President, office bearers and members for organizing the blood donation camp.

International University Fair at SJEC

Apr 25, 2019 - Apr 25, 2019 @ 9:30 AM

St Joseph Engineering College in association with IDP Education Mangaluru organized '**International University Fair**', a half-day interaction event for all the final year engineering and second PUC students of the Mangaluru and Udupi region who are planning to study abroad on 25th April, 2019 at SJEC Campus. The event was planned and organized by the Office of Collaborations of SJEC under the leadership of Ms Diana Monteiro and Mr Keith Fernandes.

Delegates from the internationally reputed and highly ranked universities participated in this fair. They guided more than a 100 interested students and their parents on how to apply for universities, details of various scholarships the students can avail and information regarding post-study career opportunities in Australia. Some of the universities that participated in the fair are Deakin University, Flinders University, James Cook University – Townsville, Monash University, Royal Melbourne Institute of Technology, Monash University, Swinburne University of Technology, University of Adelaide, University of Canberra, University of South Australia, and Western Sydney University.

The delegates also met with the Management of SJEC. The Principal Dr Rio D'Souza welcomed the delegates to the campus and expressed his interest in building a stronger association with these universities. He mentioned that the growing Engineering Institution like SJEC will benefit from having collaboration with the Universities across the world, especially Australia. The Director of the College Rev Fr Wilfred Prakash DSouza, Chief of R&D Dr Joseph Gonsalvis and all the Collaborations Committee members graced the discussion.

The fair also had international destination expert of IDP, Mangalore, who worked with the students and helped them take effective decisions regarding their higher education options. The representatives from ICICI Bank also helped the students with respect to the finance options that they can avail.

Colloquy-18, A Panel Discussion on the theme “Smart City Mangaluru and Business Opportunities”

Nov 15, 2018 - Nov 15, 2018 @ 9:00 AM

A Panel Discussion on “Smart City Mangaluru and Business Opportunities” was held at St Joseph Engineering College, Vamanjoor, Mangaluru on 15th November 2018, under the banner COLLOQUY-18. The event was

jointly organized by Department of Business Administration and Industry Interaction and Entrepreneurship Development Cell (IIEDC) of the college. The panel discussion offered participants the scope of setting up business ventures in the wake of Mangaulru becoming a Smart city. Prof Lionel Aranha, Chartered Accountant and Advocate chaired the session consisting of Annappa Pai, Director of Ace Foods Pvt Ltd,

Mangaluru and President of DSIA, CA Abdur Rahman Musba, Head-Finance of Cardolite Specialty Chemicals India LLP, MSEZ, Mr Norbert M Shenoy, Financial Consultant, Arunanjali Securities and Ms Sulaj Kini, Partner of Bell Paints, as panelists. Prof Lionel Aranha presented an overview of the growth of Mangaluru from a small town to a city. He highlighted upon the main strengths of the city in terms of infrastructure, educational services, banking services and quality of living. Despite having all the facilities, youngsters don't stay in Mangaluru. Mr Annappa Pai in his opening statement expressed that people of Mangaluru were always smart and now they are trying to make the city smart. Highlighting on the changes in the retail sector he classified it into door to door retailing, retailing at the signal, traditional neighborhood retail outlets, supermarkets, hypermarket, online retail, WhatsApp and internet marketing. CA Abdur Rahman Musba in his opening statement highlighted on the prime requirements necessary to set up large industries in Mangaluru, the principal criterion being land with quality soil and drainage facility. He mentioned about stable, continuous and quality power, quality of water and availability of materials. He stressed on the need to promote Mangaluru and market its locational advantage. Ms Sulaj Kini, a second-generation entrepreneur briefed about the growth of her family business set up by her father. She expressed her motivations for staying in Mangaluru. She opined that metro cities have reached saturation and there is life beyond your work which our city can offer. She encouraged students to venture into entrepreneurship. Mr Norbert M. Shenoy, reflected on the concept of smart city. He expressed that Mangaluru is characterized by remittance economy, event management companies and catering business. Banking, education and catering were the major successful services set up by the citizens of Mangaluru. He spoke about the opportunities available for youngsters, which lie in harnessing technologies like app development, platforms, Internet of Things, Artificial Intelligence and Machine Learning. The opening statements were followed by discussions based on the queries raised by the audience. Dr Prakash Pinto, Dean of MBA, Mr Sathyendra Bhat, Chairperson of IIEDC and Dr Babitha Rohit, Coordinator, IIEDC were present for the event.
