Clean Energy Drive by SJEC Students at St Raymond's High School

Aug 17, 2016

An awareness program on the importance of renewable energy sources, such as solar, wind, tidal & geothermal, was conducted by the Electrical and Electronics Engineering students of SJEC at St Raymond's English Medium High School on 17th August 2016. This program is an initiative by the Students' Association EELS of SJEC, to create awareness about clean energy among the Student Community in Mangalore. The program consisted of presentations on different aspects of electrical technology like power generation, power utilization & distribution. The program also had practical demonstrations of experiments, such as, dark detecting circuit, heat sensing circuit, electronic piano, fuse characteristics, lamp control circuits, LabVIEW based Rover etc. Mr Deepesh Kanchan and Ms Chaithra Shetty, faculty from the Department of Electrical and Electronics Engineering at SJEC guided the students in their endeavour.

“ELECTRICKZ”, Engineering awareness program for High School and PU students

Feb 14, 2016 @ 10:30 AM

A group of final and pre-final year Electrical Engineering students from St Joseph Engineering College – Vamanjoor, Mangaluru, conducted an awareness program about Electrical and Electronics Engineering to High School and PU students at Sharadha Vidhyanikethan, Talapady, on 14th February, 2016 between 10:30 am to 5:00 pm. The students were accompanied by the Faculty Coordinator, Mr Deepesh Kanchan.

The training consisted of topics on generation of power, transformers, transmission and distribution system, SCR, Motors, Switchgears and protection, electrical safety and precautions. Hands-on session on fuse characteristics experiment, light intensity control circuit in which the intensity of an incandescent lamp was controlled, and also two-way and three-way control of lamp, was also demonstrated. Projects on automatic material flow control using conveyor was also demonstrated.

Visit to Arogya Matha Kendra old age home on 11th March 2017

The I year students from the Department of Business Administration accompanied by the Dean and faculty visited old age home 'Arogya Matha Kendra' on 11th March 2017. The old age home visit was planned as part of outreach programme of the department. 'Arogya Matha Kendra' is a charitable organization managed by sisters of Fathima and situated near Neermarga. It inhabits 30 inmates hailing from different parts of Mangaluru.

The students and faculty reached there around 9.20 am. The inmates were very hospitable and friendly and they welcomed us with their beautiful smiles. To break the monotony of their lives, the students entertained them with songs and dances. In order to bring laughter on their faces the students performed a small humorous skit. To celebrate the joy of giving the students and faculty pooled money and donated fruits, eatables and different items of provisions which are used on a daily basis. The Sr Superior who is a caretaker of the old aged home profusely thanked all for sparing precious time with old souls. She also acknowledged the generosity of the college in conducting this such programmes.

Report on Student Empowerment Program on Leadership at Government First Grade, Bantwal held on 1 March 2018.

NSS Special Camp at St Sebastian Higher Primary School, Hosabettu, Moodbidri

Jan 19, 2019 - Jan 25, 2019 @ 9:00 AM

The NSS Special Camp of St Joseph Engineering College, Vamanjoor, Mangaluru was held from 19th January to 25th January 2019 in the premises of St Sebastian Higher Primary School, Hosabettu, Moodbidri. The Inauguration ceremony was held on 19th January 2019. The camp was inaugurated by Mrs Rita Cutinha, Member of Taluk Panchayath and President of the Standing committee, Mangaluru Taluk Panchayath, by lighting the lamp. She assured wholehearted co-operation for the success of the camp.

Rev Fr. Santosh Rodrigues, Parish Priest of Holy Cross Church, Hosabettu, Moodbidri, graced the occasion. The program was presided by Rev Fr Rohith D'costa, Assistant director, St. Joseph Engineering College, Vamanjoor, Mangaluru. Mrs Precilla Pinto, Headmistress, St Sebastian Higher Primary School, Hosabettu, Mr Basil Colaco, Vice President, Holy Cross Church Committee, Hosabettu, Mr Manohar Cuntinha, Secretary, Holy Cross Church Committee, Hosabettu, Sr. Laveena, Superior, BSDP Sisters Congregation, Dr Sudheer M, Principal in charge, St Joseph Engineering College, Vamanjoor, Mangaluru were the guests of honor. There were a total of 52 participants along with staff members. The programme began with invoking god's blessings. Mr

Rajesh K, NSS programme officer welcomed the gathering. Rev Fr Santosh Rodrigues in his speech stressed about the importance of social service and congratulated the students for attending the camp. Rev Fr. Rohith D'costa, in his speech motivated the students to actively participate in the camp. Dr Sudheer M, Principal in charge-SJEC, briefed the students about the role of NSS in nation building and inspired the students to actively involve themselves in social service. Ms Nidhishree proposed the vote of thanks. Ms Nandini compered the programme.

Shramadhan was conducted during the special camp. Volunteers had cleaned the bushes on either side of the main road, near to the school entrance. They also cleaned the premises of the church. As part of the Shramadhan activity, the soil was dug for rain water harvesting and recharge pits were created in the church premises. During the Special camp, yoga sessions were held for half an hour. Flag hoisting ceremony was organized every day in the morning. In the afternoon there were lecture series arranged for the students. Snake Kiran shared his knowledge about snakes and enlightened the students about the importance of snakes. Mr Ronald D'souza, Aquatic Bio systems Mangaluru shared his experience about fisheries. Students also had a visit to few of the famous places in Karkala, namely St Lawrence Church, Attur, Koti Chennaya theme park and Gomateshwara temple Karkala. Students also visited Hosabettu village and interacted with the villagers. At the end of each day, games and cultural programs were conducted by the students. All the participants of the camp came forward to showcase their talents. Valedictory programme was held on 24th January 2019. Dr Rio D'Souza, Principal SJEC appreciated the students for being part of the special camp and suggested to come up with similar programmes in the future. Rev Fr Wilfred Prakash D'Souza, Director SJEC appreciated the students for attending the camp even though they had holidays. Rev Fr. Santosh Rodrigues, Parish Priest of Holy Cross Church, Hosabettu, Moodbidri appreciated the students for their discipline and dedication during the special camp. Dr Joseph Gonsalvis, Chief of R&D SJEC was the guest of honor. Mr Ananth Kamath welcomed the gathering. Mr Rajesh K proposed the vote of thanks. Ms Nandini compered the programme

SJEC Alumni Association: Blood Donation Camp

Sep 3, 2015

SJEC and the SJEC Alumni Association joined hands with White Doves and Wenlock Hospital Mangaluru for a noble cause in organizing voluntary blood donation camp on 3rd September 2015, which encouraged the students, staff and alumni to come in big numbers to donate blood for the Wenlock Hospital Blood Bank.

The program began with a formal function. Mr Nelson Castelino, President of the SJEC Alumni Association welcomed the dignitaries. Dr Sharath Kumar, Medical Officer and Blood Bank in-charge of Wenlock Hospital, spoke on the occasion about the importance of donating blood. He said, in a human body there is 5.75 liters of blood of which only 3.5 liters is required for normal functioning of the body. From the extra quantity of blood, 350 ml of blood can be sagely donated which benefits the donor. He also highlighted issues about women during night-delivery going into a crisis situation with profuse bleeding. The need to save that life greatly depends on the blood to be given to the women during labor.

Ms Corrine Rasquinha, Founder President of White Doves, who was the Chief Guest for the ceremony, spoke on life in the blood and quoted from the Bible, from the Book of Genesis, on how the blood was crying out for justice. She also gave her personal experiences on the plight of the poor patients in dire need of blood and having no one to help them. She encouraged the students to be permanent donors. Rev. Fr Joseph Lobo, the Director of SJEC, also quoted the Bible speaking on the parable of the good Samaritan, telling his students that they have a choice to save a life through voluntary blood donation. He encouraged the students to donate blood which will give them a sense of well being. Principal of SJEC Dr Joseph Gonsalvis, Dean of Student Welfare and Alumni Affairs, Dr Vincent Crasta, Treasurer and Secretary White Doves Mr Jerome Coelho, and others were the dignitaries on the dais. The formal function ended with a vote of thanks by Evita Coelho. The program was well compered by our Alumni Mr Clyde Tellis. More than 150 members donated blood which commenced a 9:00 am and concluded at 5:00 pm.

Collaborative activity of AICUF with Make A Difference Group

Feb 21, 2015

"Make A Difference" is a National Level Youth Volunteer Network that works for holistic development of children at risk i.e. children living in shelter homes and orphanages. They work in 4 centers in Mangalore, reaching out to 150 children. They deliver programs on subject support in schools, career guidance, and life skill development. One such Camp "Dream camp" is held at the end of every year to round-off the learning process over that year.

This Camp for this year was conducted in collaboration with the AICUF Chapter at SJEC on 21st February from 3:00 pm to 9:00 pm, with 44 children of CARDTS Samvedana. AICUF members of SJEC as well as M.A.D volunteers had a mix of both fun and learning time. The event was to show the children the amount of opportunities available in this world and to give them a glimpse of hope of the future surprises.

The event started with a 1 hour session by SJEC-AICUF members. Later, M.A.D volunteers took over. As there were kids who loved to smile! AICUF members made them to do so throughout by playing games designed to convey the importance of "team work ". To enrich their minds with moral views, educational and inspiring videos were played which focused on the message "Find happiness in others happiness". Between these events flash mob added surprise and enraptured the smiles of all. AICUF members made a point to show to the students the talents that God has provided, and made them realize that it's all for a purpose and to make great use of it for the betterment of society. AICUF members tried to teach the students dancing, singing, how to play guitar, and even processing photographs. It helped the children to enhance their knowledge of the talents which they are really interested with.

Though, the event was conducted in Collaboration with M.A.D, at the end of the day not only the kids but also AICUF Members were overwhelmed with joyous feelings. It was indeed a realization of the importance of what we have, realization of God's Love and blessing that made us truly understand that showcasing little warmth and humanity to the needed was the best thing in the world because that we will help us to find our happiness in their happiness.

Christmas Celebrations at 'Samvedana' HIV affected Children's Home held on 16 December 2017.

The I year MBA students accompanied by the Dean and faculty visited less privileged Children's Home 'Samvedana' on 16th December 2017. The visit was planned as a part of Outreach Programme of the Department. 'Samvedana' is a home for HIV affected children situated near Pump well, Mangaluru. The students and faculty reached there around 2.45 p.m. The students had planned for Christmas Celebrations with the children. The students entertained the children with a dance, humorous skit, carols and action songs. Few games were conducted for the children. To celebrate the joy of giving the students and faculty pooled money and distributed sweets, indoor game items and gifts for the children.

Details of the three contests are provided below:

SOCIAL ENTREPRENEURSHIP CHALLENGE

Two parts to this interesting challenge:

1. All big initiatives start with a small step. Put up a one page plan on what is going to be your act of giving during the Daan Utsav week of Oct 2-8.
2. Implement the plan during the Daan Utsav week of Oct 2-8. Showcase your activities during Daan Utsav week in a video format not exceeding 3 minutes.

- Your idea needs to be submitted latest by 5th October, 2017.
- Maximum duration of the video showcasing the implementation during Daan Utsav week has to be 3 minutes, and the video needs to be submitted by 10th Oct, 2017.
- Voting Window: 15th Oct, 2017 - 15 Nov, 2017.
- 50% weightage would be for the likes your endeavor gets.
- 50% weightage would be for the judging panel votes for your endeavor.
- Maximum of 1 submission for each team.
- 5 students need to be a part of each team.
- Only students of Indian colleges are allowed to participate in the same.
- Prizes would be disbursed only post verification that all members of the winning team are actually current students of the mentioned college.

DAAN UTSAV FILM MAKING CONTEST

Come up with a 60-second video on Daan Utsav. Innovation, intent, and presentation are going to be the key deciding factors here.

- Maximum duration of the video has to be 60 seconds.
- Video needs to be submitted latest by September 30th, 2017.
- Voting Window: 2nd Oct, 2017 - 31st Oct, 2017.
- 50% weightage would be for the likes your video gets.
- 50% weightage would be for the judging panel's votes.

- Maximum of 1 video submission for each individual.
- Every video needs to have Daan Utsav logo embedded in it
- Participant needs to promote their video to maximum people during the Daan Utsav week of Oct 2-8. **Likes during the Daan Utsav week will get double points.**

DAAN UTSAV RECIPE CONTEST

Malnutrition is one of India's biggest challenges today. Unfortunately, not everyone can afford many of the healthy nutritional food that restaurants serve today. Come up with nutritional, but cost effective, recipes to address this issue.

- Recipe needs to be submitted latest by September 30th, 2017.
- Voting Window: 2nd Oct, 2017 - 31st Oct 2017.
- 50% weightage would be for the likes your recipe gets.
- 50% weightage would be for the judging panel's votes.
- Maximum of 1 recipe submission for each individual.
- Participant needs to promote their recipe to maximum people during the Daan Utsav week of Oct 2-8. **Likes during the Daan Utsav week will get double points.**
- Bonus point for those who upload a video of theirs feeding the under-privileged using this recipe during Daan Utsav week.
- **Students, Alumni or Faculty** of any Indian college are allowed to participate in the same.
- Prizes would be disbursed only post verification that the winner is actually associated with the mentioned college in the capacity of a student, alumni or faculty.

Workshop on Work Engagement and Motivation for the administrative staff of Father Muller Medical College

May 8, 2019 - May 22, 2019 @ 2:00 PM

Dr Prakash Pinto-Dean, MBA, Dr Babitha Rohit and Dr Shakila B, Faculty members from the Department of Business Administration, SJEC along with select students of I MBA conducted a workshop on 'Work Engagement and Motivation' for the administrative staff of Father Muller Medical College. The workshop was conducted in 3 batches on 8th, 15th and 22nd May 2019 for a total number of 82 non-teaching staff. The sessions were scheduled between 2:15 pm and 5:00 pm. The first session was on 'Work Engagement, in this session the participants were made aware of health care data error, and ways to prevent errors. Activities on work engagement, identifying problems and solutions, role-play and team work were conducted. Short videos on role of secretaries in work place, greeting customers and phone etiquettes were presented to the participants.

During the second session on 'Motivation at Work Place', the participants were taken through different aspects of Motivation at work place. Exercises on 'My Qualities', 'My Success', 'My Pictures' were administered to the participants which helped them to build self confidence and self-esteem. Topics like positive attitude and stress management were explained to the participants with the help of anecdotes. Short videos on self-motivation were played during the session. The participants actively participated in all the activities and provided good feedback about the workshop.

SRISTI 2K19- NIPM hosts its Regional Student Conference at St Joseph Engineering College

Apr 13, 2019 - Apr 13, 2019 @ 9:00 AM

National Institute of Personnel Management (NIPM), Mangaluru Chapter, in association with St Joseph Engineering College (SJEC), Mangaluru, hosted one-day Regional Student Conference “SRISTI 2K19” on Saturday, 13th April 2019, in the Kalam Auditorium of the college. Prof C V Raghuvier, Pro Vice Chancellor of Yenepoya University inaugurated the conference. Addressing the gathering Prof Raghuvier said, "Engineering students are known for adjustments in life. Upon completion of their courses they are becoming a part of the corporate world. They will get to know what is good and bad in corporate world once they make the transition from campus to corporate. They need to be hard working to get entry to an engineering college and the continuity of that hard work makes them a successful person in society. An engineer cannot think his existence without team work. Building one's own team is very important in the engineering field. By building a good team, the organization will appreciate an individual and in turn, that individual will get more opportunities in society." Mr Ashok Thammayya-Southern Regional Vice Chairperson of NIPM, Rev. Fr Wilfred Prakash D'Souza-Director of SJEC, Mr Diwakar Kadri-Chairperson of NIPM and Mr Prabhoda K S-Secretary of NIPM, were the other dignitaries at the Inaugural. Fr Wilfred Prakash D'Souza said, “the conference aims to strengthen students to face the competition in the corporate world and smoothen their transition from campus to corporate. Day by day, new innovations happen in the world which students need to watch out for and focus more on communication, problem solving, client orientation etc. Students can win in their life by facing challenges in career with courage.” Mr KK Davis, Senior Director-HR at Oracle India, Mr Sebi Chacko, Advisor to the Board Enable India & Founder of Well-wisher, Mr Shantaram V Hegdekatte, Director & Trustee of Learning Links Foundation, Mr Karthi Rao, Founder & CTO of Kredero Softwares, Mr Jagadish Shekar Naik, Co-Founder & CEO of DOI Foundation, Ms Jovina Priyanka Madtha, Director of Human Capital-United Health Group, participated in the conference as panellists.

Civil: Seminar on “Environmental Impact of Plastic”

Feb 23, 2019 - Feb 23, 2019 @ 9:00 AM

A seminar on “Environmental Impact of Plastic” was organized at Vidya Jyothi High School, Vamanjoor on 23rd February 2019 by the Department of Civil Engineering, SJEC, Mangaluru under the guidance of Mr. Prashant Kurdekar, Assistant Professor, a team of final year Civil Engineering student consisting Mahima Rao, Kavya, Caliba, Yakshith, Deekshith, Adithya Rao, Adithya S, Ankith, Prashanth, Anoop and Harikiran presented the presentation to the school students. The seminar aimed at providing knowledge about the plastic and spread awareness on plastic pollution, plastic management, prevention and control of plastic pollution among the young minds. The students appreciated the presentation and actively interacted to gain more information on plastic.
