ENGINEER'S DAY

Following are the events to be held as a part of Engineer's Day Celebration on September 26, 2015

TECHTANTRA

It is a paper presentation contest which is open to the students of all semesters of ECE Department. Topics for the Paper Presentation can be any recent technology or innovation. Maximum of 2 students are allowed per team. Teams are limited to 10.

INNERVE

It is a collage making contest which is open to the students of all semesters of ECE Department. Topic for the same is "Mangaluru as a Smart City". Maximum of 3 students are allowed per team. Teams are limited to 15.

ENVISION

It is Mini Project Exhibition which is open to the VII sem students of ECE department. Top 10 teams of the mini project evaluation done in the department will be showcasing their mini project in the exhibition.

RIG-UP

RIG-UP is a event in which students are required to solder a circuit given on spot in the tagboard. This event is also open to all the students of ECE department. This is an individual event.

ENGINEERS DAY CELEBRATION 2015-16

Mechanical Engineering Department and student association "Torque" of the St Joseph Engineering College celebrated the engineer's day on Saturday, 26th September, 2015, at 9: 30 am in the Fr. Fred Memorial Hall. The guest of honor was Dr. R. K. Yagi, Ex-HOD of Mechanical Engineering Department, SJEC.

On this occasion activities were conducted by the Torque association for mechanical department in flourishing the technical skills of the Mechanical students.

1. **Mr. Machinist** - was conducted where the students had participated in Metal hunt, Assembly of Bicycle, Stacking of Nuts etc.

Results of the event-

1st Place - Shreyas 2nd year M4 section

2nd Place - Royce 2nd year M4 section

3rd Place - Sheetal 2nd year M4 section

2. **Automotive Biography** - was conducted to benchmark the knowledge of students in advancements in the automobile field through events like Crossword puzzle, vehicle's specifications etc.

Results of the event-

1st Place - Anjan Raj 4th year M3 section

2nd Place - Ian Arhana 4th year M3 section

3rd Place - Sonal & Ryan 4th year M2 section

3. **CAMD-Modeling** - was conducted to evaluate the designing skills & innovation in the budding engineers using Solid Edge ST6 software for desing.

Results of the event-

1st Place - Nishanth 4th year M2 section

2nd Place - Vishwanath 2nd year M3 section

3rd Place - Sarath 4th year M2 section

4. **Technical Quiz** - was conducted to test the knowledge of engineers in general science as well as their respective technical field.

Results of the event-

1st Place - Sumanth & Vishant 4th year M3 section

2nd Place - Rajath & Prasanth 4th year M3 section

3rd Place - Allen Loyd & Alen 3rd year M1 section

5. **Sketch-IT** – was conducted to examine the talent of drawing & sketching of a 3D picture of any machine related to mechanical engineering.

Results of the event-

- 1st Place - Akshay 3rd year M4 section
2nd Place – Keshav 3rd year M2 section
3rd Place – JoshinaCutinha 1st year Mechanical

6. **PPT presentation** – was conducted to improve the presentational and analytical skills of the students. The topic was recent advances in mechanical engineering.

Results of the event-

- 1st Place – Sahil Khan & NelroyPerira 3rd year M4 section
2nd Place – Prajwal 4th year M3 section

7. **Poster presentation** – was conducted over the topic “Recent advancements in Mechanical Engineering”.

Results of the event-

- 1st Place – Kennan Lawrence & Darren Sario 4th year M1 section
2nd Place – Clyde Menzes & Prajwal 4th year M3 section

The events were hosted for mechanical engineering department by Torque coordinator Mr. Swaraj Dominic Lewis, Co-coordinator Mr. Orville Sutari, Along with President of Torque Spoorthi Megha, Vice President Ankith K, Secretary Dinesh and Joint Secretary Loy Fernandis
