ST. JOSEPH ENGINEERING COLLEGE  
MANGALURU

QUALITY MATTERS  
It is a shared pursuit, foundation of progress,  
the vision and mission.

CLAUDE M. HENRIOT  
Provide opportunities  
to ascending students of all communities, the Christian  
students in particular, for quality professional education.

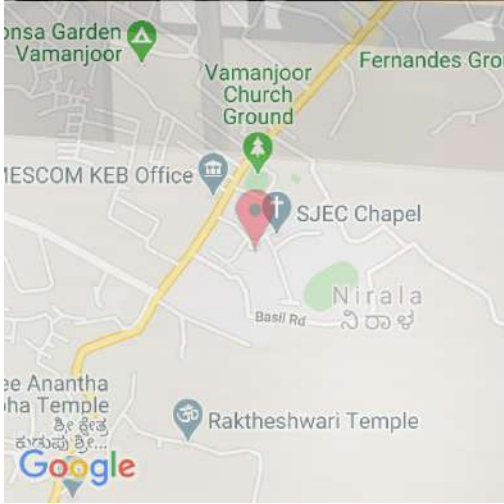

Design with a vision  
worthy to meet the national and global challenges, to give  
average students, quality education.

Attract & nurture quality talents  
the best faculty and staff, at all stages.

Consolidate  
the state-of-art infrastructure and equipment for  
learning and research activities.

Prepare  
all-round professionals of tomorrow with the students who  
are committed to the national and global needs.
